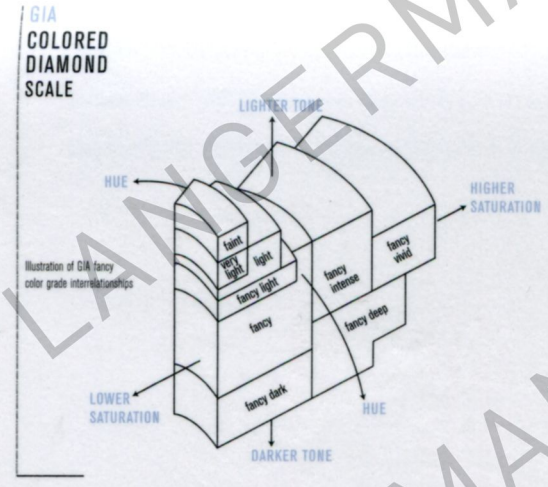
None



275825401

This Report is not a guarantee, valuation or appraisal and contains only the characteristics of the diamond described herein after it has been graded, tested, examined and analyzed by the GIA Laboratory and/or has been inscribed using the techniques and equipment used by the GIA Laboratory at the time of the examination and/or inscription. Inscriptions reported in this document are not a guarantee, validation, or warranty of an article's quality, country of origin or source; or that the article will be identifiable by the inscription in the future (since inscriptions can be removed). GIA makes no representation concerning any trademark, word, or symbol which is inscribed by GIA or which is identified on this Report. The recipient of this Report may wish to consult a credentialed jeweler or gemologist about the information contained herein.

The security features in this document, including the hologram, security screen and microprint lines, in addition to those not listed, exceed document security industry guidelines.
