This Report is submitted by I.G.I. B.V.B.A. and accepted by the client on the following terms and conditions:

- I.G.I. has examined the gem carefully with specialized instruments and prepared this Report to the best of its knowledge and professional standards. The 'Finish Grade' is based on the degree of excellence, polish, symmetry, proportion and girdle.
- The parties recognize that opinions may reasonably vary as to the characteristics covered in this Report; hence, neither I.G.I. nor any member of its staff shall, at any time, be held responsible for any discrepancy which may result from the application of other grading methods.
- This Report is provided upon request of the customer and/or the owner of the gem. By making this Report I.G.I. does not agree to purchase or replace the article. Any and all transactions relating to said gemstone, including sale purchase, barter, etc., are not endorsed by I.G.I.
Neither the client nor any purchaser of the gem shall regard this Report as an appraisal nor as a guaranty or warranty.
- For protection and transportation purposes, the gemstone can be sealed in a plastic box containing the original report number.
- In the event of any claim by the client or any person for damage to the gem, or damages resulting, directly or indirectly, from this Report, the liability of I.G.I. shall be limited to the amount it receives as a fee in connection with this Report.
- This Report shall be governed by Belgian law.
Only the law courts of Antwerp are competent in case of disputes.
